TRPHD Wants Your Input on Our Community's Health

KEARNEY- Two Rivers Public Health Department is releasing a comprehensive survey designed to gather valuable insights from our esteemed community members. Over the course of July 8th to August 5th, this survey will be available to better understand and address the health needs in our community.

"Our community members' input is instrumental in our continuous pursuit of excellence, and we are immensely thankful for their participation in the survey," stated Jeremy Eschliman, Health Director. "Community feedback serves as the compass guiding our efforts to prioritize addressing the health needs of our community."

The survey is available through a QR code below or link. Individuals who complete the survey will be entered in a drawing for a \$50 Walmart or Amazon gift card. Winner of the \$50 gift card will be selected through a weekly drawing every Friday. These **20** winners will be notified through their preferred form of communication selected in survey. Winners will have 3 business days to respond to confirm, after which time TRPHD will redraw for a new winner.
