Measles Webinar

KEARNEY—The Two Rivers Public Health Department will host a Webinar on Measles on Wednesday, April 16th, 2025, at noon. This webinar will include an update on the ongoing measles outbreak response, information regarding measles, and the latest developments in the current measles outbreaks across the United States.

As of April 10th, there have been 712 confirmed measles cases in 24 states, including Colorado and Kansas. There have been 2 confirmed deaths with another under investigation. Nebraska has not seen any measles cases this year to date.

If you want to attend this webinar, [click here](#) or scan the QR code below. If there are any questions, please call our office at 888-669-7154.

**ABOUT TWO RIVERS PUBLIC HEALTH DEPARTMENT**

Two Rivers Public Health Department engages collaborative partners, community leaders and the public to promote healthy lifestyles, provide preventative education, assure environmental quality, and create more healthy and safe communities for all who live within the district.
