**COVID Yellow: Moderate Risk of COVID-19 Spread**

- There is a downward trajectory in numbers of COVID positive cases OR percent positive cases due to community or regional spread
- There is a downward trajectory in levels of Flu-Like Symptoms OR COVID like syndromic cases in Buffalo, Dawson, Franklin, Gosper, Harlan, Kearney, and Phelps Counties or regionally
- There is limited community spread within Buffalo, Dawson, Franklin, Gosper, Harlan, Kearney, and Phelps Counties or regionally
- COVID has a small impact on the local healthcare system capacity
- PPE supplies are adequate for critical healthcare workers and community needs
- Rapid COVID testing is available for all suspected cases and focused asymptomatic surveillance.
- TRPHD is able to conduct investigation and contact tracing for new cases and associated contacts without assistance
- Critical medical equipment is readily available
