TRPHD Receives Health Department Clinical Services Accreditation

KEARNEY – The Compliance Team (TCT), a CMS-approved national healthcare accreditation organization, announced that Two River Public Health Department in Kearney, Nebraska has received Exemplary Provider status after completing TCT's Health Department Clinical Services Accreditation program.

Completion of this accreditation program distinguishes the clinic for its exceptional in-patient care and quality improvement and identifies to the community it has demonstrated outstanding operational patient care practice and met or exceeded the highest standards of healthcare delivery.

Jeremy Eschliman, Health Director, is proud of all the work his team put into receiving this accreditation, stating: "As the Health Director of Two Rivers Public Health Department, I am excited to announce our recent accreditation for clinical services compliance. This achievement underscores our commitment to delivering the highest standards of care and ensuring the well-being of our community. Our team's dedication and hard work have been pivotal in reaching this milestone, and we will continue to strive for excellence in all our health initiatives."
