

COVID ORANGE: Elevated COVID-19 Spread Risk

- There are increasing or high stable numbers of COVID positive cases OR percent positive cases due to community or regional spread
- There is an increase in Flu-Like Symptoms OR COVID like syndromic cases in Buffalo, Dawson, Franklin, Gosper, Harlan, Kearney, and Phelps Counties or regionally
- Clusters or outbreaks exist that are still likely in their early stages
- There is only enough testing available for symptomatic people
- TRPHD must rely on assistance to conduct investigation for new cases and associated and contact tracing OR TRPHD must assist adjacent jurisdictions to conduct investigation and contact tracing
- PPE supplies are only adequate for critical healthcare workers
- Critical medical equipment is in limited supply
